

TestTrack 2013.1.1 and Earlier Crashes on Mac OS X 10.9

Problem

TestTrack 2013.1.1 and earlier crashes after upgrading to Mac OS X 10.9.

Cause

The FreeType library used by TestTrack cannot load some fonts included with Mac OS X 10.9.

Solution

Move the following fonts from the /Library/Fonts directory to another directory on the computer.

- Yu Gothic Bold.otf
- Yu Gothic Medium.otf

You can also upgrade to TestTrack 2013.1.2 or later, which fixes this issue.
